

occupying the property of the municipality pursuant to this license shall be responsible for the payment of, and shall pay, both current and potential real and personal property taxes when due. Furthermore, in accordance with the requirements of RSA 72:23, I (b), the licensee(s) and any other entity using and/or occupying property of the municipality pursuant to this license shall be obligated to pay real and personal property taxes on structures or improvements added by the licensee(s) or any other entity using or occupying the property of the licensor pursuant to this license.

The license granted herein, and the duty to pay properly assessed real and personal property taxes, shall apply to any other entity, now or hereafter, using or occupying municipal property pursuant to this license. The duty to pay properly assessed real and personal property taxes shall apply both to the owner and joint owner of any such pole or conduit, or an attacher to or user of said pole or conduit, pursuant to permission or by agreement of the owner of said pole or conduit.

As a condition of this license, the licensee shall, on an annual basis, on or before April 1st, provide the Clerk of the Town of Francestown with a complete list of each entity attaching to, or using any pole or conduit licensed hereunder. Said list shall be updated annually and shall include the following information: the identification number and location of all poles and conduits being used or occupied by any additional parties other than the named licensee; the property and equipment attached; and, the name and address of each such party using, attaching to, or occupying said poles or conduits. In the event that attachments and/or equipment is removed during the course of the year, written notification, containing the specifics thereof, shall be provided to the Town Clerk.

The above-described pole(s) or conduit shall support the equipment of the following named providers:

1. _____
2. _____
3. _____
4. _____

The Licensee is required to provide the town in writing the names and contact information for any additional provider(s) authorized now or in the future to place equipment at these location(s).
