

Cemetery Commission Minutes

July 3, 2018 9:00 am, Cemetery 3

In Attendance: Polly Freese, Ethel MacStubbs, Ruth Behrsing

Also Larry Kullgren and John Kaufholds from Peterborough Marble and Granite

Discussed what we would need to add gates to the north and south entrances where we currently have a chain that hangs from Nov to April, depending on weather. The plan is to make gates similar to the main gate, just a tad shorter. Marble posts will need to be placed to support the gate on each side of the entrance. The old posts can be used to hold the gates open. Larry and John will get back to us with estimates. We will continue this meeting on Wed July 18th at 10 AM in the Town Hall to go over the proposed costs that they will submit.

Continued July 18th at 10:00 am: In Attendance: Polly Freese, Ruth Behrsing, Ethel MacStubbs

The cost for Granite posts: 10 inch square and 7 feet long, set 48 inches out of the ground \$1580 and to set is \$950 so a total of \$2530 which will include coming back to drill the holes for the gate hardware, or \$1265 per gate.

The bid from Larry Kullgren for the two gates is \$1700 for materials and supplies and \$0 for labor, \$850 a gate.

So each gate comes out to be \$2115 a gate, a total of \$4230 to be taken from Cemetery Maintenance Trust fund which can currently has \$17,845.

Polly made motion to go ahead with the gates for the North and South entrance and accept the two bids. Ruth Seconds. All in favor.

John Schott was buried July 16, 2018 (died 4-19-18) Lot 31 S

Meeting adjourned 10:35
