## **New Business**

- Interment of Rick MacAdam. Data was entered in SS and cards.
- Plaques for gates, need to decide on the wording. So the North Gate will be "Dedicated to Elizabeth Wiederhold for her many years as cemetery trustee". The South Gate will be "Dedicated to All Cemetery Trustees, past, present and future".
- The liberty elms in cemetery #3 need to be thinned out and trimmed. Scott Carbee and Warren can do this.
- Trimming back of pine trees, along back boundary will be done by Harry Woodbury as he wants to buy the land next to his plot. We will make that into and extended plot. So he will buy 3 new lots besides his current lot 366 and the final size will be 10 ft by 32 ft. He will need to buy the equivalent of 3 lots, 800 times 3 is \$2400. Harry will trim pines and move his markers. All in favor.
- The deed has been prepared for Robert Scribner's and the town will get a copy, he will get the original, just as soon as he he pays.
