

PLANNING BOARD  
TOWN OF FRANCESTOWN, NH 03043

Notice of Decision

At a Scenic Road Hearing held on April 16th, 2024 the Francestown Planning Board voted to approve the proposal from Eversource, case number 24-SR-01, to cut and/or trim/brush and/or trees in order to remove and install new reconstructor poles on the 2<sup>nd</sup> NH Turnpike South from the intersection with Route 136 to the Francestown Elementary School. This approval was granted as required by RSA 231:158 and following site inspection by Planning Board members.

This approval is subject to the following conditions:

1. All efforts to protect the existing trees in the town common shall be made, or trees will be replaced with similar trees.
2. The old poles will be removed.
