Mr. Howell read aloud a statement to clarify that Town Administrator, Jamie Pike, has not had direct exposure to COVID-19 (Coronavirus).

Discussion followed with regard to RSA 91:A Right To Know, and other procedures to follow in the event another emergency meeting by the Select Board arises.

Mr. Howell requested that only urgent issues be attended at the Town Offices and encouraged the public to simply call the office, and further stated the Board will try to keep efficient and swift communications as possible.

Ms. Dixon suggested that alternate employees be put in place if the need arises at the transfer station. The Board heard from Jamie that in fact a non-certified person could operate the compactor for up to 30 days without being certified.
