

LADIES TIME TO CELEBRATE

In honor of international women's month, the Recreation Commission is hosting a special Ladies Night dinner at the Town Hall on Saturday, March 23 from 5-7 pm. Childcare for ages 3 to 12 will be offered on the first floor with children's supper and activities. Upstairs the women of Frankestown (adults only) will be treated to dinner, live music, great home cooked food, delicious desserts plus a gift of specialty chocolates. Thank you, women of Frankestown, for all you do. Enjoy a well-deserved evening of relaxation with neighbors, friends, and new acquaintances.

The Recreation Commission will be sending out a mailer by March 1 to announce the event. Please RSVP to recreation@frankestownnh.org by March 10. Max seating 100, so RSVP as early as possible. We hope the women of Frankestown will join us for an evening of fun and companionship as you are truly appreciated in our community.
