Select Board

To provide the best possible services available to the citizens of Fracesttown, the FRC is recruiting two additional members. One is to replace Sam Feinberg who is resigning effective April 1st. The second is to fill a vacant position.

As you know ours is an active board. We not only recommend and oversee programs and projects, but we also actively participate in bringing forth the projects and programs and seeing them through to completion.

Laura Mafera needs no introduction to this board. Among her many accomplishments most recently she led the team that saved our school. Her knowledge of the community, her work with the PTA, her work with the school and her ability to bring the community together for a common cause, make her an ideal member to join the FRC. Her energy and attention to detail will help FRC meet its many goals in 2024.

After the board discussed her qualifications, the board voted unanimously to put her name forward to the select board with our full endorsement (Miss Lilly Woodbury recused herself due to an existing relationship to miss Mafera).
