

NOTICE OF DECISION

At the hearing on July 13, 2017, on the appeal of Timothy C. Bower and others from the decision of the Board of Selectmen to grant a reasonable accommodation to Lake House Recovery to conduct a “sober house” at 345 Scoby Road, the Fracestown Zoning Board of Adjustment found no issue with the Selectmen’s decision and upheld the decision by a 5-0 vote.

The Chair noted his question as to whether the Selectmen’s decision was reviewable by the Zoning Board as the “reasonable accommodation” is mandated by the Fair Housing Act and not by the Fracestown Zoning Ordinance.
