

## ZONING BOARD OF ADJUSTMENT

### MINUTES AND NOTICE OF DECISION

The Francestown Zoning Board of Adjustment met Wednesday, March 24, 2021, at the Town Offices, lower level at 5 pm to consider whether to grant the request for rehearing filed by Mr. and Mrs. Justin Landry, 148 Perley Road.

Present were S.Jonas, S.Heath, C.St.Jean, J.Miller , M.Tripp(alt) and S.Little, members of the Board, and Mr. and Mrs. Landry.

S.Little read the statutes, NH RSA 677, sections 2 and 3. The members felt there was stated “no good reason” to rehear the matter. S.Jonas noted that the black ford f-550 with utility body has been seen carrying equipment. S.Little noted the Board’s decision was in two parts – no error by the building inspector AND the Landrys had moved the equipment to C. Stewart’s and had stated the equipment would not return, except for their personal use around the homestead.

The members voted to deny the request, 4-0, with Ms. Miller abstaining.
